### Speaking Part 1

#### *1 What will you bring when you go out?*

There are some items that I would consider essential whenever I go out. For example, headphones to listen to music while I'm on the go. It makes my daily commute more enjoyable.

#### *2 Did you ever forget to bring something?*

I must admit that I am a forgetful person. I've left the house without my keys, phone, or wallet. It's inconvenient to discover that you don't have any cash on hand when you want to pay for a coffee or something.

#### *3 Will you bring different things in the daytime or at night?*

I must admit that I am a forgetful person. I've left the house without my keys, phone, or wallet. It's inconvenient to discover that you don't have any cash on hand when you want to pay for a coffee or something.
