

## IELTS WRITING TASK 2

**Q-You is due to move into a rented apartment next month, but you will not be able to because of some problems.**

**Write a letter to the course provider. In your letter,**

- explain your situation
- describe your problems
- tell them when you think you can move in

Model answer

Dear Miss Berry,

As you are aware, I have rented 41 George Roche Road from you for six months, beginning on August 15th. However, I am afraid I will no longer move in on that date due to illness. During my summer vacation, I worked as a company's project manager. Unfortunately, I slipped and fell on a wet floor near the end of my shift, breaking my wrist. Fortunately, it was a clean break that did not necessitate surgery. However, because it is my right wrist, I cannot write for the time being.

I am currently at home in Kuala Lumpur until the plaster can be removed – I believe this will be in the last week of September. I'll then return to Canterbury for my course and move into 41 George Roche Road.

I hope this will not cause you any difficulties.

Yours sincerely,

Rachel Yu
